the operation which she under-
went during the past summer.

WILD LIFE PLANNING BOARD MEETS.

To preserve wild life, a refuge for
the game must be maintained on the
ranch or farm so that it may live as
nearly according to its natural habits
and be as little disturbed as is pos-
sible, was the keynote of the in-
formal address of Mr. Earl Sanders,
Regional Game Manager of Region
Eight, at a meeting last Friday night
at the county Courthouse. Mr. San-
ders was addressing the members of
the Medina County Wild-Life Plan-
ning Board at its first meeting since
its creation recently by the State
Game, Fish and Oyster Commission
of Texas.

Mr. Sanders explained the purpose
of the Board as follows:

1. To act as a medium for closer
contact between the Game, Fish and
Oyster Commission and the people
of Medina County who are interested
in the restoration and development
of Wildlife.

2. To recommend and aid in the
adoption and promotion of practices
which will increase Wildlife Re-
sources and result in Social and
Economic benefits to Medina County
and finally to the State as a
whole.

3. It is the purpose of the members
of the Medina County Wildlife Plan-
ning Board, the Regional Game
Manager, and the local Conservation
Officers to work in harmony and co-
operation for the development and
protection of the best interests of
Wildlife Resources and Conservation
in Medina County.

4. It is the object of this group to
correlate Wildlife improvement work
with the best land usage and prac-
tices.

5. It is recognized that Wildlife is
not an accidental crop but that skill-
ful, purposeful, effort is necessary to
increase it and its benefits.

6. It is the object of this Board to
help to create a closer cooperation
and understanding between ranch-
men, farmers, and sportsmen.

Following is a roster of Medina
County Wildlife Planning Board
Members: Mr. Oliver Reinhart, D'-
Hanis*; Mr. H. W. Eschenburg, De-
vine*; Mr. Frank Riley, Lytle*; Mr. J.
G. Barry, Hondo; Mr. W. O. Rothe,

do*; Mr. Joe Schott, Castroville; Mr.
Elmer Leinweber, Hondo; Mr. F. D.
Garrison, Hondo*; Mr. Ben Koch, D'-
Hanis; Mr. D. W. Short, Hondo; and
Mr. J. P. Ephraim, D'Hanis.

Those present at the initial meet-
ing are indicated above with this *

Those present manifested a lively
interest, entering freely into the dis-
cussions and asking many questions.
Mr. E. H. Seekatz was elected Chair-
man of the County Board and author-
ized to appoint his own secretary.
The next meeting was left subject to
his call.

Interested guests at the meeting
were Game Warden Williams and
Paige and Mr. Frank Seekatz. Mr.
Seekatz of Riomedina is 84 years of
age but is one of Medina County's
most ardent advocates of game con-
servation.

METHODIST NOTES.

We are very happy to be reappoint-
ed to the Hondo Church for another
year. To have moved this year
would have seemed like leaving home
to us of the paragon family. We
appreciate the hearty welcome we
have received and the fine start on
another year.

On Sunday, November 13th, at ten
o'clock the Ex-Service men will be
our guests. All Ex-Service men and
their families are invited. A section
of the church will be reserved for
them. You are invited to our services
each Sunday.

Morning Worship at 10:00.
Church School at 11:00.
Evening Service at 7:30.

W. H. HIGHSMITH,
Pastor.

ST. PAUL'S LUTHERAN CHURCH.

There will be no services Sunday,
November 6, as the pastor has ac-
cepted an invitation to serve as
speaker for the annual Mission festi-
val at Nordheim.

On November 8, at 7:30 P. M., Dr.
W. P. Hieronymus, director of parish
education in the American Lutheran
Church, will speak here in the in-
terest of Sunday School workers' train-
ing. An interesting lecture is in store
for us on "The Church at Work" and
everybody is invited to attend, es-
pecially the Sunday School teachers
and Church Councilmen.

TO MEMBERS OF MEDINA COUN- TY AID SOCIETY.

You are urged to attend an im-
portant meeting at the County Court-
house at 3 o'clock Saturday after-
noon, November 5th.

Be sure and attend and bring all
the members you can reach with you.

Devine Defeats Hondo by Score of 13 to 6

In the first conference game of the 1938 season, the Hondo Owls took
the short end of the game with Devine, the final score being 13-6. The War-
horses outgained the Hondo Owls in nearly every respect last Friday night.
The Warhorses led in penetrations, 5-3, and on first downs 11-8. The Owls
tried 10 passes and completed 1, whereas the Warhorses tried 19 passes and
completed 10. The Owls' only touchdown came when Moehring blocked a
punt on the Devine 5-yard line, Bader taking the ball over the goal line
for the Owls' sole six points. After a few punts in the earlier portion of the
game that weren't so good, Jennings hit his regular stride and got off
some beautiful kicks, several soaring above the newly lighted turf of Barry
Field, whilst the crowd-gasped at the heretofore unheard of heights at-
tained by the acme of all punters, Jennings. The pass defense was still not
of the superior type, needing improvement greatly. The line looked better
in some respects, though, and among those who fought their hardest game
to date were Wesley Moehring, George Rucker and Walter Weynand, the
latter playing guard on the defense, rather than his regular position of end.

As the game got under way Bader
kicked off for the Owls, sending the
ball to the Devine 2-yard line, it be-
ing returned to their 14-yard line.
Kollman making the tackle. While
in possession of the ball Devine made
a first down and then the ball went
over to the Owls, after the Hondo
line had held fast. The first quarter
moved along at a fairly moderate
pace, ending with a score for neither
of the two teams.

Owls Score in Second Quarter

Into the second quarter with the
ball in possession of the Owls, the
ball was fumbled on Hondo's 40-yard
line on the second down, Devine re-
covering. The game moved on rather
slowly with Devine advancing to
the Owls' 20-yard line where the ball
went over to the Hondo squad. Fin-
ger took the ball from Leinweber, in
one of the high spots of the game,
and ran it from Hondo's 24-yard line
to the Owls' 45-yard line, then later-
ally to Grell, who continued for an
additional 6 yards, putting the ball
on Devine's 49-yard line. The boys
advanced to the Devine 31-yard line,
where Leinweber kicked out of
bounds to the Devine 20-yard line.
The next play was stopped by
Schuehle; Devine fumbled and was
downed on its own 12-yard line by
Grell and Kollman. Ehlinger at-
tempted to punt, but Moehring block-
ed the kick, Bader carrying the ball
over the goal line for a touchdown.
Bader's conversion for the extra point
was void. As the second quarter
came to a close, the ball was in pos-
session of the Owls on Devine's 38-
yard line with the score 6-0, in favor
of the Owls.

Warhorses Come Back to Make Score

The Warhorses got their first score
of the game in the second half, after
taking the ball to Hondo's 32-yard
line, where Herring took the ball off
right tackle, cut back to the left and
went over the goal line for a touch-
down. An off tackle play, with Bohl
carrying the pigskin, was stopped by
the Hondo line, thus preventing the
extra point. Another highlight of
the game occurred when Bohl quick
kicked to the Hondo 1-yard line,
Leinweber kicking back to the 50-
yard line, where Devine fumbled and
the Owls recovered. The boys failed
to make any yardage while in posses-
sion of the ball and Jennings kicked
to Devine's 15-yard line, where the
ball was taken up the field, Devine
then being penalized to their own 8-
yard line. Bohl kicked back to the
Hondo 46-yard line. This ended the
third quarter with the score 6-6.

Warhorses Score Again

Hondo failed to do anything with
the ball and Jennings kicked from
the Hondo 49-yard line, sending the
ball far past the goal line. The War-
horses then took the ball up the field
until it rested on Hondo's 7-yard line.
The next play was stopped by Rucker
and then a pass was attempted, but
it was incomplete. On their last
down the Warhorses passed, leaving
the ball on Hondo's 4-yard line, with
no score for the Devine squad. Jen-
nings kicked to Bohl on Hondo's 33-
yard line, where Bader and Schuehle
nailed him. On a pass, the ball was
taken to the 24-yard line and then
another pass, Bohl to Herring, gave
the Warhorses another touchdown.
Bohl passed to Ehlinger for the extra
point. Devine kicked off to Hondo,
the Owls marching down the field
and then advancing the ball to the
Devine 12-yard line on a long pass
from Grell to Holloway. As the game
ended, the ball rested on Devine's 1-
yard line, in possession of the Owls,
with a final score of 13-6 in the fa-
vor of the Devine Warhorses.

COTULLA COWBOYS ARE NEXT OWL OPPONENTS.

Another conference battle will be
decided next Friday night when the
Hondo Owls meet the strong Cotulla
Cowboys on Barry Field. This game
promises to be one of the most color-
ful of the season and again kick-off
time will be eight o'clock.

The Cotulla club will invade Hon-
do with a very impressive record this
year and are one of the pre-season
favorites for this district. The Cow-
boys are undefeated so far, having
five wins and a tie to their season re-
cord. In their past games they have
defeated two conference foes, beat-
ing Devine by a 14 to 0 score and
Sabinal by a 33 to 0 count. A well-
balanced line and a hard running
backfield will be the Cowboy's charge
against the Owls.

The Owls will have their district
hopes hanging on their backs this
week and will battle hard to put
themselves in a winning stride. The
Owls do not have such an impressive
record this season but can show that
records do not decide ball games.
The Owls have met defeat in their
only conference game thus far, that
being a 13 to 6 score in favor of
Devine.

This will be the last scheduled
game to be played on the local field
and should be worth your presence.

All members of the Hondo Owls'
football squad will be taken to
Austin Saturday to witness the Bay-
lor-Texas football game.

The squad has selected this game
because it promises to be one of the
most colorful to be played there this
year.

Among the things of interest in
this game will be the presence of Ted
Dawson on the Texas Longhorn
squad. Ted is an ex-Owl grid-man
of '34 fame and at present is a re-
serve guard on the Longhorn team.

The Hondo Owls were host to the
D'Hanis football team here last
Wednesday (Oct. 26) in a scrimmage
which was in preparation for their
forthcoming games.

Since D'Hanis plays six-man foot-
ball, both eleven and six-man games
were played.

The D'Hanis team is entered in the
six-man football district this year
and should give their foes plenty
trouble.

UNDER THE FLOODLIGHTS.

"Touchdown! Touchdown!
You make the touchdown,
We'll make the noise!"

So sang, yelled and implored
the DEVINE pep squad . . . and the
Warhorses did, two of them, with a
final score of 13 to the HONDO
OWLS' 6 . . . as for noise, we'll wa-
ger there is no Devine fan who

happened to notice.

Speaking of noticing, did you

respective hats of GEN. BRUCKS,
ELIZABETH RATH and WILLA

ter's pretty youngster, PATSY LOU

ing his jaws with what looked like
a good testimonial as to the lasting
flavor and elasticity of a certain
brand of chewing gum.

And did you hear N. C. JOHN-
SON's infectious laugh . . . BABO
WINDROW, watching the Owls go
down in defeat and not able to do

PARKER TO BE BROUGHT BACK.

GY Mexico City, Mex.,
7:15 P. M., Nov. 2, 1938.
C. J. Schuehle, Sheriff, Hondo, Tex.
I am pleased to inform you that
extradition of Parker has been grant-
ed. Instructions to deliver prisoner
to you are being sent appropriate
authorities Nuevo Laredo.

JOSEPHUS DANIELS,
American Ambassador, Mexico City.
8:40 A. M., Nov. 3rd.

The above telegram from the am-
bassador of the United States to the
Republic of Mexico is official to
Sheriff Schuehle and means that
John "Snake" Parker will be return-
ed to Texas for trial for the murder
of Roy Embrey.

The telegram brought to Mr.
Schuehle both a satisfaction and a
distinction.

If and when Parker is brought
back, it will be the first extradition
of a fugitive between the two Re-
publics since 1905, before the end
of the C. P. Diaz regime in Mexico,
and speaks much for both the perse-
cution and the skill with which Mr.
Schuehle has pursued the fugitive.

Mr. Schuehle has traveled hundreds
of miles, including twenty-eight trips
to various parts of Mexico, entailing
considerable expense. He has earned
the right to a feeling of satisfac-
tion over his achievement.

prerogative and called for the smell-
ing salts when the game ended.

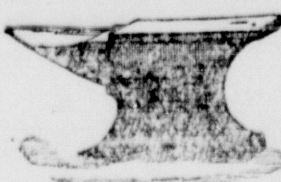

Come on out for the Hondo-
Cotulla game tonight on Barry Field
—the Owls could stand a little more
welkin-ringing on the part of the
fans.

HONDO'S FORMER GRIDIRON HEROES ADMITTED FREE

The Hondo High Owls will dedicate
Friday night's game to Hondo High's
past gridiron heroes. Football lettermen
will be admitted to the game
free provided they are wearing their
football honor-sweaters. The Owls
hope to reward the lettermen with an
upset victory over the Cotulla
Cowboys.

The Cowboys will enter the game
heavy favorites, and by comparative
scores should take the Owls by two
or three touchdowns. Cotulla has de-
feated Devine by a score of 14 to 0,
and Devine has trimmed Hondo 13
to 6. Cotulla boasts a strong running
and passing attack, and the Owls
have been plenty vulnerable so far
this season both on the ground and in
the air. Hondo's running attack looked
good at times against Devine, but
the passing attack, heretofore the
Owls' strongest weapon, was a com-
plete flop against the Warhorses.

Cotulla will bring its famous Cow-
boy band and pep squad. They boast
the most colorful supporting cast of
any in the district. Cotulla is still
undefeated, and the town is football
mad. Reports have come in that the
whole town will trek to Hondo Fri-
day night.

BEAUTIFUL PEOPLE

By Clayton Rand

In the doorbell ringing days of
this scribe he once followed a
path between lilac bushes that
led to a cottage.

The cottage was occupied by
Mrs. Hannibal Hamlin, widow of
the Vice President in President
Lincoln's first administration.

Your scribe asked this lovely
lady, who had known him, if
Abraham Lincoln was truly as
homely, as ugly as his bio-
graphers and sculptors had re-
presented him to be.

"Yes, young man," she said,
"even more so. But when you
have lived as long as I have lived
you will have learned that you
do not love people because they
are beautiful—they are beauti-
ful because you love them."

CAUSE AND EFFECT

Confusion and contradiction have
marked the drive for public own-
ership of the electric industry. Lately,
however, these elements have reached
fantastic proportions.

The government builds flood con-
trol dams that are useless for flood
control. It spends countless millions
of dollars building dams to irrigate
deserts, while simultaneously dis-
tributing more millions to farmers
for crop control or reduction of crops
on existing agricultural land. Of
course the dams it has built are
ostensibly for flood control or ir-
rigation, but in reality they are for
electric power generation. And such
federally subsidized power developed
as an "incidental", is slowly but
surely destroying the private utility
industry.

Now the government has come
along with an official "study" which
undoubtedly cost the taxpayers
plenty and which was to determine
the possibilities of a threatened
shortage of private electric facilities.
As might have been expected, the
study has shown that by 1940 there
may in fact be a power shortage.
What the study does not show is why
there may be a power shortage.

It does not show why private
electric companies have not expanded
normally. It does not reveal the fact
that the public ownership drive of the
government (socialism) has frighten-
ed investors because highly-taxed
private enterprise cannot long exist
with tax-exempt government com-
petition. It does not show how pub-
licly subsidized, tax-free competition
has impaired the value of hundreds
of millions of dollars of utility invest-
ments. It does not show how delibera-
tely planned, "death sentence" legis-
lation for holding companies has pre-
vented interconnection of private
power facilities. It simply shows a
little of the effect of our national
power policy without revealing the
cause. So the people are still blinded
by confusion, contradiction and the
insidious drive for socialism that is
being made.—Industrial News Re-
view.

From The LaCoste Ledger.
A Lovely Shower.

A lovely shower was given at Macdona hall at 2 o'clock Sunday afternoon in honor of Miss Clara Schneider with Misses Rosa and Mabel Schneider, Lillian Mangold and Audrey Grossenbacher as hostesses. Upon arrival the guests registered in the bride's book. In the center of the stage that was lovely in its decorations of pink and white roses, green wreaths and fern, was seated the bride-to-be with Carole Jean Grossenbacher and Arlene Schneider, who will serve as her flower girls, at her side.

As the curtain was raised Miss Lillian Mangold sang "Always" to accompaniment by Mrs. Julius Ahr. Little Miss June Marie Du tap danced to the music of "Dippsey Doodle" and "Sidelwalks of New York." Mrs. Julius Ahr and Miss Lillian Mangold sang "Blue Hawaii" which was followed by Wanda Hutson in a tap dance. Miss Audrey Grossenbacher read a poem "Whispering Your Name in My Dreams."

After the brief program a lovely corsage of white queen's wreath and lace fern was presented to the bride by Mrs. Tillie Englehardt. The flower girls brought great armfuls of gifts and when these were opened the bride graciously thanked each and every one.

Refreshments consisting of sandwiches, potato chips, coffee and cake were served to the guests.

C. F. Schweers, County Superintendent of Public Instruction of Medina County, visited the schools here Monday.

Mrs. Emil Mangold and daughter, Miss Lillian, from the Sauz, were LaCoste visitors Monday.

Edwin Bohl and son, Edwin Jr., from Devine visited with Alex Jungman and family here Tuesday.

Mrs. F. A. Ganzer and daughter, Miss Florence, from Ammonsville and Mr. and Mrs. August Rabel of Weimer were the guests of Mr. and Mrs. A. P. Parma and sons here Sunday.

Mrs. Alfred Trip of Macdona was a LaCoste visitors Wednesday.

Messrs. Celeste and Nic Tondre from Delta were LaCoste business visitors Monday.

Mr. and Mrs. Jacob Rihn from Spindletop were LaCoste visitors Sunday evening.

Messrs. Fritz Weiblen and Julius Jungman from Castroville were visitors here last Thursday.

Mrs. R. D. Bippert is visiting with her sister, Mrs. Wallace Lutz, and family at D'Hanis.

Mr. and Mrs. E. S. Christilles and son from San Antonio spent Sunday with relatives here.

Rev. A. H. Falkenberg and Louis Fous from Castroville were LaCoste visitors Tuesday.

I WILL BE MASTER OF MY FATE.

How oft' the evening sunset glows
In colors bright and gay
And spreads its beauty at the close
Of my tumultuous day!

How oft' in visions and in dreams
I've seen what life holds dear,
But in reality it seems
No happiness comes near!

And yet, this heart shall never ache;
My lips shall not complain—
I will be master of my fate;
My dreams are not in vain!

THE WATERFALL'S SONG.

I have learned to love the waterfall's song;
I often list as it sweeps along.
On bright moonlit, nights I cannot sleep,
It startles the silence with murmurs deep,
And cries in vain for the ocean's tide
Where once it raced with the ships that glide,
O'er coral caves where the sea-nymphs are found,
Piping their melodies, of ocean sound.

This is the story the waterfall tells;
With tinkle of chimes its silvery bells
Sing of the mountains blue shadowed with snow,
In Northern lands where the wild winds blow.
Again they whisper of winding streams,
That sylph-like dance through forest dreams,
Sheltered and cool in tropical shade,
Where deer and roebuck romp unafraid.

The red cypress trails a gray stone wall,
Where moonbeams shimmer and rise and fall;
Near sparkling waters the night-birds sing,
And drive from my heart all fears that cling.
Joy-spirit like a gay buccaneer,
Has captured my heart in place of fear
It blithely sings to the silvery call,
A lilted tune to the waterfall.

—JESSICA MOREHEAD YOUNG.

Several sheep flocks in the southern part of Martin county have been suffering with a type of nasal disorder that the local veterinary says is caused by sun rays shining on that portion of the face not covered by wool. The sun rays break down resistance somewhere in the nasal passages and set up an intense irritation in the sheep's head. No remedy has been reported for this ailment, but sheepmen have been fairly successful in relieving some of the animals by daily washing their noses with a mild antiseptic solution.

DEVINE NEWSLETS.

From The Devine News.

MANY MEN AND TEAMS WORKING ON HATCHERY.

Between fifty and seventy-five men and a dozen or more mule teams are busy building the ponds for the Federal Fish Hatchery; and the whole 40 acres, except those used for several dwellings, garages and shops, will be covered with these ponds, each of which will be about one acre large. Very little machinery is being used on the project, the work being done by W. P. A. labor and men.

WATSON-JENNINGS

Miss Dorothy Watson, daughter of Mr. and Mrs. J. A. Watson, became the bride of Mr. Leon Jennings, Mt. Sharp, Sat. Oct. 22, at 9 P. M. driving over to Rev. Albert Martin's home at Moor's, where Bro. Martin performed the ceremony in the presence of a few friends. After a wedding dinner Sunday, they left for their home at Mt. Sharp. Those who enjoyed the wedding dinner at the home of Mr. and Mrs. J. A. Watson were as follows: Mr. and Mrs. Sam Neal, San Antonio; Mrs. J. T. Jennings, Mt. Sharp; Mr. and Mrs. Tom Watson and family, Hondo; Mr. and Mrs. A. C. Billings and family, Mr. and Mrs. O. K. Schmidt and boys, Mr. and Mrs. Leon Jennings, Mr. and Mrs. J. A. Watson, Lillye and Ethel Watson.

YANCEY.

Rev. Martin of Moore preached three sermons here last week-end. His parents of Temple visiting them, also a brother, who also attended the services here. There being no services at the Methodist Church, most of our congregation worshipped with the Baptist. Quite a number of the Methodist membership went to San Antonio to Travis Park church.

We learn that Rev. Brown of Potteet has been given charge of our church. We regret very much to see Rev. Fuller and family leave us.

Miss Grace Saathoff of Rio Medina spent the week-end with homefolks.

Misses Anna Lee and Pauline McAnelly of Austin were at home for the week-end, also John McAnelly of A. & M. college and Misses Mary Jane McLaugherty, Ima Faseler, Ethel Grunwald and Helen Wiemers of San Marcos.

Mr. Horace Johnson left for San Antonio Saturday morning and remained Sunday for the conference. His father, who served the Methodist congregation at Smiley, attended the conference, and they had a fine visit while there.

Messrs. John Tate and John Buchanan motored to San Antonio Sunday.

Mr. Thel Berry and family of Oklahoma arrived Sunday for a visit.

Mr. and Mrs. Thomas Duncan and family and Mrs. Berry went to Pearlsall last Sunday visiting their son, Coy, and daughter, Mrs. Allen Thompson.

Mesdames Tom Duncan and H. N. Burgin visited Pearlsall Saturday.

A surprise party was arranged for Miss Ethel Grunwald upon her arrival from San Marcos Saturday evening. A large number of friends and relatives assembled at the home of her mother's. The occasion was her birthday. Refreshments were served after an enjoyable time was spent visiting and playing games.

Mr. and Mrs. Sidney Saathoff came by Monday morning, returning from a bridal trip to Mexico; they were on their way home to Bandera.

Rev. Fuller informed us that he will serve Bandera's Methodist church for the ensuing year.

BIRY.

Last Monday night, after our P. T. A. meeting, we surprised Miss Dorothy Watson, who is to become a bride this week, with a treasure hunt, which was enjoyed by everyone present. She received a number of beautiful and useful gifts and after the gifts were looked over, Dorothy thanked everyone.

Mr. and Mrs. Ed Love spent Sunday in San Antonio with Mrs. Love's grandma who has her hip broken.

Rudolph Posch and Frank Biry spent the week-end with Mr. Posch's wife and son at Corpus Christi.

Miss Lillye Watson is spending a few weeks with Mrs. Sam Neal in San Antonio.

NOTICE TO FARMERS.

Under the 1939 program any farm receiving a total soil-depleting acreage allotment of less than 25 acres will be exempt from acreage control of general crops up to a total soil-depleting acreage of 25 acres.

The working of the clause was explained with an example by George Slaughter, farmer-chairman of the Texas Agricultural Conservation Committee. "Say a 30-acre farm gets a cotton allotment of 8 acres and an additional general crops allotment of 12 acres. That's a total soil-depleting acreage allotment of 20 acres. As long as this farmer doesn't exceed his cotton allotment, he can plant 17 acres to general crops and still comply with the program."

If the farmer planted his 8 acres of cotton and 17 acres of feed or other general crops, his total soil-depleting acreage would be 25 acres, 5 acres above his allotment but within the 25-acre exemption. Slaughter pointed out. Under the 1938 program he would have been limited to his 20-acre allotment.

The Fords Tell Their Plans for 1939

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements . . . a new tool and die plant that will help us cut the cost of dies . . . and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs. We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

HERMAN JUNGMAN ASKS SUPPORT AT THE POLLS.

In this issue of the Anvil Herald will be found an appeal to the voters of Medina County by H. N. Jungman of LaCoste, who aspires to become sheriff of Medina County. Herman Jungman, as he is known to hundreds of friends in the county, was born and reared in the county and possesses all the qualifications needed to fit him for the office he seeks.

He lays no claim to political qualifications and is making his campaign on the promise of the best possible service that he can give. He wants his friends to look after his interests at the polls and will reward them with faithful and efficient work when he becomes sheriff of Medina County.

Although Mr. Jungman has been into every community in the county, he feels that this appeal is timely in view of the fact that the election is next Tuesday, and he asks that you consider his claims and his qualifications when you come to vote.

MASQUERADE DANCE.

A masquerade dance and card party were given at the home of Mr. and Mrs. E. S. Rieber on the Upper Hondo, on the night of October 29th.

Quite a few of those who participated in the dance wore masks. Among them were, P. C. Jagge as Simple Simon clown, Mrs. P. C. Jagge as the Witch, Oscar Batot as Pop-eye, Mrs. Oscar Batot as a hobo and E. S. Rieber portrayed the Mysterious Bride.

At 10 o'clock masks were removed revealing the true characters. The "bride" then graciously submitted to being weighed and two prizes were given to those who guessed nearest "her" weight.

After refreshments were served and the dancers had danced to a late hour to the strains of old time music furnished by Messrs. Austin Coughran, Clarence Hermes and Miss Gladys Breiten, all repaired home.

Present were Mr. and Mrs. S. E. Rieber, Mr. and Mrs. Oscar Batot and Mrs. Hugo Batot of Hondo, Mr. and Mrs. Oscar Mangold and daughter, Gladys, Mr. and Mrs. Gus Britsch, Mrs. B. and daughter, Mr. and Mrs. Rieber and children, Mr. and Mrs. Alf. Saathoff and children, Mr. and Mrs. E. T. Monier and daughter, Ezelle, Mr. and Mrs. Willie Spott, Mr. and Mrs. P. C. Jagge, Mr. and Mrs. Clarence Hermes and children, Austin Coughran and the host and hostess, all of the Tarpley community.

HONDO HOME DEMONSTRATION CLUB.

Thirteen members of the Hondo club met at the home of Mrs. L. B. Tschirhart, Wednesday afternoon, November 2, with one guest present, Mrs. Willie Brucks. The prayer and pledge were read. After the roll call the minutes were read.

The annual report of our club's expansion work was made, and will be placed to the County Expansion Chairman.

Plans were made for Pantry Achievement Day, which will be held at the home of Mrs. Oscar Batot, November 15, at 2 P. M.

After the meeting closed Mrs. Tschirhart served cookies and hot chocolate.

BRIDE-ELECT HONORED.

Miss Lorine Hardt of San Antonio, who became the bride of Mr. Joel Reitzer of that city Wednesday evening, November 2, in Grace Nazarene Church, was honored of a miscellaneous shower from 3 to 5 o'clock Sunday afternoon, October 30, at the home of Mrs. F. A. Heyen in Hondo. Hostesses were Mesdames F. A. Heyen, E. H. Moehring, Walter Saathoff, Albert Saathoff, Chris. Nietenhoefer, Jack Fuos, August Leinweber, Alfred Schientz, all of Hondo; Mrs. Emil Stein of San Antonio and Mrs. Tony Haby of Rio Medina.

The living room was decorated with white asters and yellow cosmos. The receiving line was composed of Mrs. Heyen; the honoree, Miss Hardt; her mother, Mrs. Lee Hardt from near Bandera; and Mr. Reitzer's mother, Mrs. L. J. Reitzer, of San Antonio. The bride's book was in charge of Miss Lillian Moehring.

The tea table in the dining room was laid with a cut linen cloth and had a center arrangement of yellow and gold marigolds in a white pottery bowl, and was lighted with white tapers in white pottery holders. The hostesses alternated in serving the refreshments of chicken sandwiches, cake and spiced tea.

During the tea hours a musical program was presented by Misses Corine Nietenhoefer, Gladys Bohlen and Frances Peal.

The honoree wore a becoming frock of teal blue crepe and a corsage of wine red dahlias.

About 65 guests called.

We go to press at such an hour as to be unable to give a report of the Wildlife Conservation meeting at the High School auditorium last night. The meeting was under the auspices of the Texas Wildlife Federation, J. W. Chapman, manager of the Federation, being the chief speaker.

Following some dry hot weather, accompanied by brisk winds from the southeast, the wind veered to the north early Thursday morning. The change brought intermittent showers with a considerable drop in temperature. Up to going to press, however, the rain had been very meager and indications are for a dry cold spell to last the hopes for rain.

Rev. W. S. Highsmith and Rev. Leon D. Brown of Yancey were appreciated callers at this office Monday. Rev. Brown is the new Methodist pastor at Yancey, having been transferred there from Potet and succeeding Rev. Fuller, whom the conference transferred to Bandera. Rev. Brown joined our large family readers by subscribing for both of our papers.

Attention is called to the "political advertising" appearing in this issue of the paper. The election will be held next Tuesday and there is little time left for further appeal by the candidates to the voters. Only two county offices are contested—that of Sheriff and County Attorney. In both the D'Hanis and Castroville precincts the Commissioner's office is being contested, and in the Hondo Justice precinct the Constable's office is contested. Those who are elected next Tuesday will have the places for the next two years. It is not alone your privilege to vote but your duty to exercise a choice as to who shall be favored.

Your Support At the Polls will Be Greatly Appreciated

I am not a politician and therefore not wise in the ways of politics, but I want to become Sheriff of Medina county. I know I am qualified to fill the office acceptably.

Of course I must depend to a large extent upon my friends and acquaintances over the county to aid me during the final days of the campaign. I fully realize the importance of this office and that there is need for a man who will give the best service that is in him. My friends know I will do my best, and what more could I promise?

If elected I shall strive to serve one and all alike—no favorites and no pre-election promises to fulfill. Give me this chance to prove my ability as a peace officer.

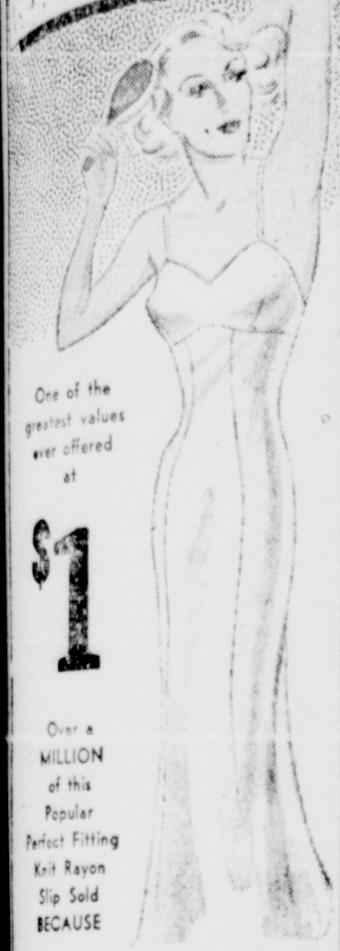

Born and reared in Medina county, I have your interest and mine at heart. Let me demonstrate how well I can and will serve you.

TO THE VOTERS OF MEDINA COUNTY.

During the present campaign now drawing to a close it has been my earnest endeavor to personally meet and solicit the support of every voter in the county. However, a great deal of my time has been taken in attending the various duties incident to the office of sheriff and much to my regret there are many citizens whom I have not had the pleasure of contacting personally.

Therefore, I am having published this message to assure those of you whom I have not seen and to re-assure those whom I have seen, that I will greatly appreciate your vote, support and continued confidence.

During the time I have had the privilege of serving as your sheriff I have done my level best to bring to justice all persons who have committed crime within this county, and I am happy to say that with the splendid co-operation which I have received from the citizens of this county and from my fellow peace officers throughout southwest Texas, we have been very successful in the apprehension of criminals and in the stamping out of major crimes.

The many valued friends that I have among the Peace Officers of Southwest Texas has been a wonderful help to me in the solving of crimes and in the apprehension of criminals; for criminals do not respect county lines and all officers must work together. These contacts and close friendships with the personnel of such Departments and Governmental Agencies, as the Federal Bureau of Investigation, Department of Justice, Ranger Service, Border Patrol Service, Highway Patrol and various Sheriff's Departments are the result of years of service, in working together, as peace officers, in this most dangerous occupation. The close ties of friendship thus formed among officers insures wholehearted and sincere co-operation, and insures the best results in running down and catching a criminal. I feel very proud of having these valuable friends and connections.

In conclusion I want to say that I hope that you will re-elect me as sheriff, for although the office pays just a living, I like the work and need the job. If re-elected I will continue to give honest, energetic and efficient service, administered according to law and in accordance with the rule of using good old common ordinary horse sense.

Again thanking you for the many past favors and trusting that you will go to the polls on next Tuesday and cast your vote for me, I am, faithfully,

Yours to Serve,
CHAS. J. SCHUEHLE.

ANTICIPATES A HARD FIGHT.

Gus Reininger, manager of the Association for Equal Taxation, was here Wednesday collecting the "sinews of war" for another fight before the next legislature to prevent a raid on the available school funds of certain thinly populated counties in the Southwest.

There is a certain block of counties that pays into the state school fund a tidy sum over and above the amount prorated back for support of the schools. Not satisfied with this inequality, there has been a constant effort to still further raid the funds by enacting a law to prorate them on the basis of average daily attendance instead of, as now, on the basis of enrollment by the census trustee.

Mr. Reininger and his Association have successfully fought off this raid for several years, but he expects to face a more determined effort than ever before at the next session of the Legislature.

MORE HONORS FOR "BILLY".

Word comes from the State University at Austin that the popularity of Miss Billy Merritt which distinguished her High School career in Hondo has followed her to the State institution which she entered in September as a Freshman.

Out of a membership of 1500 in the Freshman Fellowship Club she is one of 125 selected as a member of the Freshman Council.

This honor comes to her because she has displayed both leadership ability and co-operation, and is a distinction of which "Billy" and all her friends can be justly proud.

Billy is the youngest daughter of County Agent and Mrs. C. M. Merritt of Hondo.

AMERICAN LEGION ELECTS.

The annual meeting of the Hal Jones Post of the American Legion was held Monday night at the courthouse in Hondo. Officers for the local post were elected as follows:

Members of H. E. Club to Attend Meeting in S. A.

Hondo School News

REPRINTED BY PERMISSION FROM THE OWL.

COMMITTEES APPOINTED IN SUB-DEB CLUB

A committee was appointed for planning discussion programs for each meeting at a Sub-Deb Club meeting Tuesday at the home of Frances Ruth Fly. At a previous meeting at the home of Evelyn Ruth Dawson, a committee was appointed to draw up the Constitution for the Club and the following officers were elected: Recording Secretary, Evelyn Ruth Dawson; Treasurer, Elizabeth Reynolds; and Corresponding Secretary, Frances Ruth Fly. A rule was made that the hostess at each meeting should act as temporary chairman of that meeting. Those on the program committee are Mary Ann Noonan and Sis Meyer, and on the Constitution Committee are Margaret Ann Knopp and Judy Lacy.

After completion of the Club business, refreshments of sandwiches, punch and potato chips were served to Helen Burgin, Sis Meyer, Susie Muennink, Elizabeth Reynolds, Mary Louise Haegelin, Evelyn Ruth Dawson, Judy Lacy, Kathleen Rely, Margaret Ann Knopp, Mary Ann Noonan, Betty Jean Merriman, Miss Lucille Johnson, sponsor, and Frances Ruth Fly, hostess.

NEW CLUB ORGANIZED

Meeting for the first time, members of a newly organized club (as yet unnamed) enjoyed a slumber party at the home of Mildred and Mary Frances Van Fleet last Friday night.

At this party, which lasted until three o'clock Saturday morning, refreshments of cocoa, cake, and sandwiches were served to Novelle Lambert, Jonelle Gaines, Ima Jean Crow, Laura Lee Leinweber, Bonita Speece, Frances Ellen Woolls, Eloise Kohlman, Gladys Schwarting, Mildred Van Fleet and Mary Frances Van Fleet.

The next meeting of this club will be held Tuesday afternoon at the home of Frances Woolls. A name for the club will then be decided upon.

WEEK-END ROUND-UP

Those who were in San Antonio last Saturday are: Betty Jean Merriman, Susie Muennink, Mary Louise Haegelin, Jonell Bader, Ann Haralson, Margaret Ann Knopp, Bonita Speece, Roselyn Weber, Virginia Riff, Jo Dawson and Mimmie Doyle Schweers.

Fred Bader spent the week-end in Austin.

Wanda and Juanita Dawson, graduates of 1938, who are now working in San Antonio, were at the football game Friday night.

Aleen Grell, Dolly Taylor, Nora Ann Bendele, Jean Warden, Aseli Mumme, Zella Schweers, Robert B. Breiten, Adell Pichot, Henry Schuehle, Milton Bohmfalk, Roland Gaines, Joe Embrey, and Glenrose Brucks were in Quibi Saturday night.

Robert David "Babe" Windrow, a "grad" of '38 who is now going to the University of Texas, spent the week-end here in Hondo visiting relatives.

Elizabeth Reynolds, Mildred Martin and Leslie Earl Holloway were in Devine Saturday night.

H. E. STUDENTS DISPLAY BISCUITS

Biscuits made by girls taking their first year of Homemaking were exhibited in the Homemaking Department from nine-thirty until ten-fifteen o'clock last Friday morning.

These biscuits were compared according to the amount of shortening in each and also the number of strokes used in mixing the biscuit dough.

The amount of shortening used varied from one and one-half teaspoons to three and one-half teaspoons; the two and one-half teaspoonfuls of shortening to one cup of flour was found to produce the best biscuit.

Eighteen strokes or less also brought the best results in the biscuit making; however, strokes ranging from eighteen to thirty were used in this experiment.

Commentator Magazine: A survey has proven that modern students are taller than their fathers. But whose fault is it that the fathers are always short?

As many members of the Hondo Chapter of Homemakers as possible will attend the meeting of the Sixth Area of Future Homemakers in San Antonio at the Plaza Hotel next Saturday from ten o'clock in the morning until three o'clock in the afternoon. The local club will hold a meeting Thursday morning at eleven o'clock to make definite arrangements for their attending this meeting.

At the meeting Saturday, officers for the Sixth Area, which includes all valley towns and cities in this part of Texas, will be elected. The Hondo Chapter will also present their yearbook at this meeting.

Homemaking Club Adopts New Form of Procedure

Meeting in the Hondo High School Homemaking Department last Monday, October 21, all members of the Second Year Division of the Homemaking Club were instructed on the parliamentary procedure of club meetings by Miss Nell Foley, County Home Demonstration Agent.

A motion was made to give all county officials, having offices at the Court House, a tea. After the discussion and voting on this matter, the girls were informed that this had only been a test to determine how well they could carry on this meeting, using the pointers on parliamentary procedure that Miss Foley had just given them.

The purpose of this uniform type of procedure is to help get the meeting over in as short a time as possible and also to simplify it.

The following is the accepted form for all organizations:

1. To get the floor you must stand, address the chairman and give your name.
2. The chairman will then call your name and you will have the floor.
3. There is then a high motion and a low motion.
4. The low motion is debatable or is open to discussion by the body assembled.
5. The high motion is closed to discussion.

First Year Class of Home-making Club Holds Meeting

The first year class of the Future Homemakers of Texas, Hondo Chapter, held their class meeting Monday, October 31, 1938, with the class chairman, Dorothy Woolls, opening the meeting by having the roll called. When each girl's name was called they gave an idea of some way of making an inexpensive Christmas gift and brought an example of the gift to show the class.

After each girl gave her idea, the girls in the class chose some gifts they would like to make, and planned to make them for Christmas gifts. Some of the articles were the following: tie dying of table cloths and tea towels, Kleenex dolls, Mexican patio strings, knitted sleepers, stuffed animals, rag rugs, and a cocoanut shell with an ivy plant.

Nov. 11—Pearsall at Pearsall.
Nov. 18—Sabinal at Sabinal.
(*Night game)

"RANGE DEFENDERS"—showing currently, with Bob Livingston, Ray Corrigan and Max Terhune heading the cast. This western drama is thrill-packed as the Three Mesquiteers rid the range of rustlers and bring justice to town.

"LISTEN, DARLING"—Sunday and Monday, has an impressive cast which includes Freddie Bartholomew, Judy Garland, Walter Pidgeon, Mary Astor, Scotty Beckett, Alan Hale and Gene Lockhart. It is the story of a mother who was willing to sacrifice happiness for security, and two spunky kids who wouldn't let her do it.

"MY LUCKY STAR"—Tuesday, Wednesday and Thursday, with Sonja Henie heading the cast. Others are Richard Greene, handsome newcomer, Joan Davis, Cesar Romero, Buddy Ebsen, Arthur Treacher and George Barbier. Production is lavish, with an Alice in Wonderland number particularly arresting. The film has a campus background.

Science Club is Reorganized

Reorganizing their club, members of the Science Club held its first meeting of this school year last Thursday at 7:30 P. M.

After club officers for this year had been elected a motion was made, seconded, and unanimously passed to consider the changing of the constitution so that no dues would be required of the members. It was pointed out that any money needed for the club could be assessed on each member. In this way the present system of dues paying could be abolished. The amendment which this will necessitate will be discussed at a later meeting.

At this meeting it was also decided to change the meeting time from seven-thirty to seven o'clock. The next meeting will be on Thursday, November the third.

The officers elected at this meeting are:

President—Laura Lee Leinweber.
Vice-President—Mildred Van Fleet.
Secretary—Novelle Lambert.
Treasurer—Jonelle Gaines.
Reporter—Mary Frances Van Fleet.
Sergeant-at-Arms—Herbert Bulgerin.

H. H. S. Seniors to Represent Hondo at Wintergarden Fair

Betty Jean Merriman, Hondo High School senior, has been named to represent Hondo as Princess at the Pearsall Wintergarden Fair, Nov. 11. Susie Muennink and Elizabeth Reynolds, also seniors, are to go as Duchesses.

Betty Jean has chosen Roland Gaines Jr. as her escort, while Burleigh Smith will be Susie's and Milton Bohmfalk will be Elizabeth's.

The Coronation of the Queen of the Fair, in which these three girls will take part, will take place Thursday night, Nov. 10. The Queen's Ball will be held after the Coronation.

SUGAR AT THE BOTTOM

In her late years, Julia Ward Howe was conversing with her minister, who said to her, "It's pretty hard to grow old, isn't it?"

Instead of agreeing dismally, Mrs. Howe answered: "No; the deeper I drink the cup, the sweeter it tastes; all the sugar is at the bottom."

GRADE GRILLINGS

Janie Rath, Ann Reilly and Julia Maizelle Crow visited Jeane Taylor Sunday. Tommy Ray Duderstadt had a party last Monday night and invited all the First Grade. Barbara Lou Vaughan's cousin visited her Sunday. Betty Joe Talley went to the oil well Sunday. George Woodward had a clown hat and a jack-o'-lantern for Halloween. Last Friday the First Grade was given a party by their room mother, Mrs. Horace Crow. She served cakes and soda water.

Jerome Schulte visited his grandparents Sunday and while there he went horseback riding. Sonny Harlec went to Big Springs, Texas, Sunday. Florine Gilliam spent the week-end with Betty Ann Garrison. Tommy Amberson and Dick Fly visited each other over the week-end. Frances Graff spent Saturday night with Evelyn Breiten. Zella Mae Schweers had visitors from the country Sunday. Doris Sharp attended a Halloween party at New Fountain Saturday. Alvin Garber went bird hunting Sunday. Ducky Ulbrich was in San Antonio Sunday.

Maybeth Barry's grandmother and cousin visited her. Arthur Brucks and Albie Brucks went to Quibi Saturday. Jonell Britsch visited her aunt in Sturm Hill Sunday. Gerald Britsch was the guest of Shelby Woolls Friday and Saturday. Mary Joyce Saathoff visited her grandfather at Sturm Hill. Horace Britsch went to see his grandmother at Rio Medina. Jimmie Vaughan's cousin visited him Friday. Henry Holloway was at the Woolls ranch Sunday.

Ruby Watson went to her uncle's ranch at New Fountain Sunday. Buddy Garber went hunting. Dorothy Lee Bohmfalk went to her grandmother's Sunday. Arlah Eckhart went to a barbecue Sunday.

Adell Braden visited in D' Hanis Sunday. Norman Killian was in San Antonio Sunday. Chester Schmidt was also there. Bruce Gray and Billy Fly were hosts to a Halloween party Saturday night. Mildred Taylor was in Quibi Saturday night. Marcellus Garrison went to Tarpley Sunday.

Jim Amberson was in Austin Sunday. Robert Schulte visited on his uncle's ranch in New Fountain Sunday. Ben Graff was in Sabinal Sunday. Shirley Ulbrich, Frances Beal, and Doris Stiegler were in San Antonio. Roy Carter spent Sunday in D'Hanis.

The T. B. C. Club, consisting of seven sixth grade girls, gave a Halloween party last Saturday night.

SOME HAVE MEAT AND CAN EAT.

By T. C. Richardson, Secretary Breeder-Feeder Association

"When I get tired of eating chicken I come in and get some steaks and roasts", T. Hall Brown recently told the writer at the Plains Cooperative, where freezer-lockers keep meat fresh until used up. Mr. Brown and a neighbor divided a 1,000-pound fat beef, the Co-Op cut and packaged it according to instructions for a small charge, and the individual locker which rents for \$8 a year, held each man's share of the beef.

Another man living twenty miles away came in, opened his locker, and took out several packages. "We have a 'bottled gas' refrigerator to keep several days supply", he said, "and our family eats twice as much fresh meat as we did before locker service was available". He is a dairy farmer and his beef was a fat calf of his own raising.

The Plainview Co-Op. has 132 lockers and they are in such demand that more will soon have to be installed. A number of other freezer-locker plants are in operation in the Southwest with new ones being built rapidly, and they make it possible for farm families to have their own supply of fresh meat at a very low cash outlay; if a locker is anywhere in a two-hour drive they no longer have to eat only cured meat—and chicken.

Fresh meat is essential to a wholesome diet, and farmers and their families can have it with little cash outlay, while town folks often do without because it costs more than they can afford. Enough feed goes to waste—grass and weeds in fence corners and fields, stalks and grain left in the field, or eaten by rats after it is stored—to raise and fatten all the beef, mutton and pork the average farm family could eat.

Of course the steam pressure canner has made it possible for farm

Refreshments of punch, sandwiches, cookies, caramel candy, and "negro babies" were served to "Tody" Beal, Frances Martin, Gladys Bohlen, Doris Stiegler, Grace Woolls, Shirley Ulbrich, Darlene Brucks, members of the club; Nellie Mae Scott, Jimmy Duncan, Jimmie Rogers, Don Peters, Ben Graff, Calven Palzen, Charles Monkhouse, John Henry and Tommy Muennink were guests. Clap-in and clap-out, and haunted house were played.

There is no substitute for newspaper advertising.

families to eat a great deal more of their own product than formerly, and now the freezer-locker and the home refrigerator offer another method of preserving fresh meat with all its delectable flavors.

The Plainview plant is also being used to store dressed chickens, turkeys, and vegetables and fruits as well as beef, lamb and pork. Farmers who raise and fatten their own say with the Scotch bard, Bob Burns:

"Some hae meat and canna eat, And some wad eat that wad it; But we hae meat and we can eat, And sea the Lord be thankit."

The Lord, however, provides only the opportunities, not the meat, and before we can truthfully use the famous "Selkirk grace" just quoted a great many Southwestern farm will have to use their opportunity to hatch, breed, raise and fatten fowls and animals to supply the own tables.

Hog killing time, with its spare ribs, back-bones and fresh sausage is entirely too rare a feast nowadays and the delicious home-cured ham and bacon are unknown to entire too many farm families. Maybe the crude methods of curing and the inferior flavor of packer products is something to do with the abandonment of the farm smokehouse, but the principal excuse offered by many is that "I can buy it cheaper than can raise it."

If this were ever true, which wasn't, the fact remains that for farm families who depend on buying all their meat with cotton or wheat money ever have as much meat, their appetite calls for or as often a good wholesome diet demands. For methods of curing, producing a deliciously salty product, need no longer be used. For those who do know the better methods the information is available through the county agent, and the hams and bacon cured by modern processes have a flavor and richness commercial packers cannot match.

TAKING STOCK.

The story is told of the old Negro,
who spent his life with never one
thin dime to rub against the other
and who one day found himself the
possessor of a magnificent inheri-
tance of \$100. Upon going to town, he
purchased a few needed socks and
nicknacks at a haberdashery. Pulling
out his worn pocketbook, a fifty dol-
lar bill—one-half of his new wealth—
dropped to the floor and the clerk
stooped to retrieve it.

"Nevah mind, suh," the old Negro
said, "it's only fifty dollars!"
Too often, these days, the same
general disregard is evidenced by the
public in looking at the mounting
government debt.

A stock-taking in terms that people
can understand is surely in order.
In such a stock-taking the following
facts, compiled from official statis-
tics of the government, are enlighten-
ing:

1. The actual federal deficit for
July and August, the first two
months of the present fiscal year, was
\$40,000,000 in excess of the average
annual federal expenditures from
1900 to 1913.

2. The estimated federal deficit
for the fiscal year 1939 is \$4,485,-
000,000 or \$633,000,000 in excess of
the total expenditures of \$3,852,000,-
000 from 1789 to 1865, the end of
the War between the States.

3. The nine years deficit from 19-
31-1939 of \$25,314,000,000 is \$792,-
000,000 in excess of all federal ex-
penditures from 1789 to 1913—125
years.

4. The federal government during
the current fiscal year will spend
almost exactly twice as much as it
will collect through taxes, according
to the latest budget estimates. More
than 47 cents of each dollar spent
must be borrowed by the govern-
ment.

5. Although 1938 tax collections
were at a record high—with internal
revenue taxes exceeding by \$250,-
000,000 the previous high record of
1920—federal receipts still lagged
behind federal spending by 1 1/2 bil-
lion dollars.

6. According to latest budget
estimates, the cost of regular govern-
ment, that is the Legislative and
Judicial branches and the various
departments, will be 20 per cent
higher this year than last.

7. The interest which will be paid
this year on the federal debt is an
amount which 45 years ago would
have been sufficient to wipe out the
entire outstanding debt of the fed-
eral government.

8. The federal government has be-
come the largest single business in
the country with about 1,200,000
persons on its regular payroll, and
in addition 3,260,000 on WPA; 300,-
000 in the CCC; and 340,000 people
on other federal projects.

—WSS—
Buying foodstuffs for the family
pantry promises to become as compli-
cated in the future as riding two
horses at once in opposite directions.

When Mrs. Housewife goes to mar-
ket next year she may have to take
with her a certified copy of the fam-
ily's last income tax return, a letter
from some regional government offi-
cial, or a photostat of hubby's pay
check. Or perhaps she may be able
to simplify the requirements by sim-
ply displaying the holes in her shoe
soles and the tattered lining of her
coat to the butcher and grocer.

The object will be to identify her-
self as to income classification—
whether she is in the "low" or "high"
income group—for that will be the
only way the butcher and grocer will
know what prices to charge her.

Ridiculous as it may sound, that
is the "plain language" meaning of
what is actually being considered by
some of the Washington economic
planners. They are working out a
scheme whereby there will be two
price tags on all meats, fruits and
vegetables.

One price will be that to be charg-
ed families in the "low income"
group. The other will be for the "high
income" group. Just where "low"
and "high" begins has not been
decided.

—WSS—
And about riding two horses in op-
posite directions simultaneously;
That is just what the "brain busters"
of the Agriculture Department hope
to accomplish by this intriguing two
price scheme.

The subsidy horse that has been
pulling the planners' band wagon in
the direction of higher farm prices
(and thus higher food prices), will
be left in the lurch and urged on at
greater speed. But at the other end
of the wagon the new horse will be
blinded to pull in the other direction

"NOBODY'S BUSINESS."

AUSTIN, Nov. 1, 1938.—Legisla-
tors who made their campaigns this
summer on a platform of "economy
in the State government", will get an
opportunity to make good on that
campaign promise when the new
Legislature starts in to make appro-
priations for the fiscal years begin-
ning Sept. 1, 1939.

Sen. John S. Redditt, of Lufkin,
chairman of the special senate econ-
omy committee, and his aides, have
about completed their long task of
looking into all the State depart-
ments, and writing an appropriation
bill that will cut out unnecessary em-
ployees, do away with overlapping and
duplicating functions of government,
and save some money. But they will
not recommend any pay cuts for
state employees, because they have
found Texas does not pay any higher
average salaries to its workers than
other Southern states. Redditt hopes
and believes his committee can pre-

toward lower prices. If the wagon
can move in both directions at once,
as the planners believe, they see no
reason why everybody won't be hap-
py. The farmers will continue to get
higher prices for their products but
the consumers (those in the low in-
come group) will pay lower prices at
the market. The government will
make up the difference under the
scheme.

Apparently then, confusion will
hold the reins of both horses and the
taxpayer will pay for the breakage,
as custom abides.

—WSS— Add WASHINGTON SNAPSHOTS.

On the subject of taxes, the word
is about in the Capital that the ad-
ministration will next year abolish
the 75 per cent surtax on incomes as
"a gesture of good faith" toward
easing the tax burden on the taxpay-
er. The 75 per cent tax is on incomes
of \$5,000,000 or more, so inasmuch
as there is no record of anyone hav-
ing such an income in recent years,
there is little use of having such a tax
on the books. A "gesture" is all it
will be, then.

Instead, the idea to increase the
tax rate on other income, especially
the middle bracket incomes, is grow-
ing stronger in the official high
places. The idea also hits the low in-
come groups, too, for there is in-
creasing talk of lowering the personal
exemptions, both for single and mar-
ried persons.

—WSS—
The Capital "thinker uppers" still
refuse (publicly) to take the new na-
tional game of fancy pension plan-
ning seriously, or to recognize the
game as one of their own step-child-
ren. The wave of "funny money"
waving has them worried privately,
however.

They would all be very happy in-
deed if the schemes were limited to
humorous horseplay and not made se-
rious political issues that threaten to
take the thunder out of their own
give-'em-anything plans.

The idea of two California youths
to hand out 50 milk bottle tops every
Friday, and make milk bottle tops the
national currency, is very funny (and
safe) the Capitalians admit.

—WSS— CANDID SNAPSHOTS: Labor De-

partment experts are busy drafting
a proposed state wage and hour law
to recommend to State legislatures.
State wage-hour laws would cover
the corner grocery, filling station,
drug store, etc., which are excluded
from the Federal statute. Strangely,
the model state law they are using to
draft the one they will recommend,
is an old state law ALREADY DE-
CLARED UNCONSTITUTIONAL! . . .
A foreign diplomat to the United
States has just had 97 cents which he
paid in gas taxes refunded to him.
The refund was made after the diplo-
mat had appealed to the State De-
partment on the grounds that Am-
bassadors and Ministers are immune
to taxes. He hasn't tried yet to get
refund of the hidden taxes he pays in
food and other commodity prices . . .
Several government agencies who
customarily help Congressional In-
vestigating Committees in digging up
facts and figures, have refused flatly
to help the Congressional committee
investigating subversive activities of
Communists, Fascists and other "ism"
groups in the United States! The
Capital's observers are asking why.

—WSS— WHY RECOVERY LAGS.

The Federal Reserve Board reports
that there is 40 per cent more money
in circulation at the present time
than in 1929 at the height of the
boom; that we have 25 per cent more
money in bank accounts and 200 per
cent more gold than we had in the
most active financial year in history;
that bank deposits are close to the all
time high.

Apparently we have plenty of
money, but it is not working, for the
Reserve Board adds that the turn-
over of bank deposits is at the lowest
rate on record.

It is pretty easy to understand why
our money won't go to work when
we consider that owners of money—
yes, even those of us with a dollar
or two in our pockets—hesitate to
take a chance. Money will not take
a chance in face of threats of more
business regimentation by govern-
ment, mounting government debt and
higher taxes. To properly work,
money must have confidence.

As the Knoxville (Iowa) Journal
puts it:

"Active business, prosperity and
unemployment all await the restora-
tion of confidence in the minds of the
people. What is needed is not
more experimentation, planned econ-
omy, and more new fangled schemes
from Professor Balderdash, but a re-
turn to American sanity and common
sense."

sent a bill that will lop off about
\$3,500,000 from departmental appro-
priations each year of the biennium,
and that additional reductions of
about \$1,500,000 can be made in the
economy, educational and judic-
iary appropriations. This would re-
sult in a total saving of around \$10,-
000,000 for the biennium, or a cut
of \$5,000,000 a year—the maximum
figure which has been suggested by
those who know anything at all about
State government. Redditt and his
committee feel this can be done—if
the Legislature will do it—without
any material reduction in the quality
and scope of necessary governmental
functions. It would be sufficient to
take care of the State's share of the
social security program not yet fi-
nanced, and possibly the teachers' re-
tirement obligation. Whether the
affected departments can muster
enough strength to keep the legisla-
ture from making the reductions re-
mains to be seen.

Power Agreement Reported Near

Negotiations between officials of
the Colorado River Authority and
the Texas Power & Light Co., for the
sale of the latter's plants and facili-
ties in 14 Central Texas counties to
the CRA are reported progressing
favorably, and informed sources ex-
pect to see the deal completed. John
Carpenter, head of TP & L, who has
always believed in a policy of com-
promise and negotiation instead of
fighting when interests conflict, of-
fered to sell the properties of TP & L
in the natural territory of CRA to the
latter, and withdraw from the
field, as a better plan than a costly
war between CRA and TP & L in the
area. The policy which Carpenter
has found so successful in maintain-
ing good relations between his con-
cern and the public is also being
adopted nationally by some of the
larger utility concerns, notably Elec-
tric Bond & Share Co., which accord-
ing to Washington dispatches, has
worked out a plan under the Federal
holding company act voluntarily to
break up its holdings of interested
companies, through the efforts of C.
E. Grosbeck, chairman of Electric
Bond & Share.

Washington Interested

Rumors that some solution of the
problem of "dumping" of Mexican
expropriated oil into the Texas mar-
ket, and seizure without payment of
American and British oil properties
by the Mexican government, may be
nearing in Washington, were current
here this week, following the visit of
Ernest O. Thompson, Chairman of
the Railroad Commission and Chair-
man of the Interstate Compact Com-
mission, with President Roosevelt at
Hyde Park. Roosevelt, it is said,
summoned Thompson, whom he re-
gards as the best informed oil admin-
istrative official in the nation, and
the red-headed Texan is said to have
discussed both problems fully with
the President. If a commission to
arbitrate the oil property seizure is
named by Roosevelt, best informed
sources here regard Thompson as al-
most certain to represent this coun-
try. Meanwhile, Mexican "dumping"
was one of the chief topics of discus-
sion among oil men who gathered at
San Antonio for the Midcontinent
Oil and Gas association's convention,
and officials of the North Texas Oil
and Gas Association announced they
would vigorously press their charge
of violation of the Federal Anti-
Dumping Act, in an effort to halt im-
ports of confiscated Mexican oil.

Aged Judges Problem

From several lawyer-legislators
this week came a suggestion that may
result in an effort by the next Legis-
lature to provide a retirement act for
Texas high court judges, similar to

the Federal judges' retirement act
passed by the last congress. They
pointed out that the Texas Supreme
Court and the Court of Criminal Ap-
peals are both handicapped at pres-
ent by the prolonged illness of one
judge on each court, which has pre-
vented either performing the duties
of his office for many months. The
same situation frequently arises in
the Courts of Civil Appeals, but a
state law permits the Governor to
appoint a special commissioner, when
a judge on the latter courts is inca-
pacitated. The judges apparently
never feel like resigning until death
calls them, and the work of the
courts suffers as a consequence. A
retirement provision, carrying a life-
time pay arrangement for judges af-
ter a certain age limit is reached,
would prove an economy in the long
run, the legislators point out, through
saving in operation of the courts.

Capital Punishment Row

Gov. Nominee W. Lee O'Daniel
picked one of the most highly con-
troversial issues in Texas, when he

told San Antonio reporters he favor-
ed abolition of capital punishment in
Texas, but didn't know whether he
would recommend such action to the
Legislature or not . . . Members of
the Board of Pardons and Pardon im-
mediately replied with a statement,
declaring capital punishment is a
real deterrent to criminals, and pre-
vents lynching. They pointed out
that so long as criminal assault cases
occur in Texas, there will be capital
punishment, whether by law or by
mob rule, and asserted abolition of
capital punishment would be a big
boost for a Federal anti-lynching
law, which Southern congressmen
and Senators have fought off suc-
cessfully for years.

Do you "fly all to pieces" when the children are noisy, or
when the vegetables burn, or when the jelly won't "jell"?
Some mothers are just naturally cranky. Some mothers are
cross and impatient because they are nervous.

If you are a natural crank, DR. MILES NERVINE won't
do much for you. If you are irritable because your nerves
are overtaxed, DR. MILES NERVINE will do a lot for you.

Do you suffer from Sleeplessness, Restlessness, Nervous
Irritability, Nervous Headache, or Nervous Indigestion? Do
you worry over trifles, start at sudden noises? Overtaxed
nerves will cause all these troubles, and DR. MILES NERV-
INE will help you to relax those overtaxed nerves.

Why don't you give it a trial on our guarantee of satisfac-
tion or your money back? Your druggist can tell you about
DR. MILES NERVINE. He has been selling it ever since he
started clerking in a drug store. Dr. Miles Nervine comes
in two forms—Liquid and Effervescent Tablets.

Survivors include his widow, Mrs. Gertrude Albrecht Heinsch; three daughters, Irma, Madeline and Rose Catherine Heinsch; and one sister, Mrs. Rosa Teuber of Germany.

Deceased was a native of Germany, but had resided in Texas for twenty-nine years. He died of pneumonia at Santa Rosa Infirmary on October 27, at the age of 49. He was formerly mayor of South San Antonio and was highly esteemed by all who knew him.

D'HANIS HIGH SCHOOL NEWS.

Hallowe'en Festivities

Members of the first and second grades, pupils of Mrs. Hubert, and the third and fourth grades, pupils of Miss Rothe, enjoyed Hallowe'en games and refreshments Monday afternoon. They had made jack-o'-lanterns and other decorations previous to the occasion for their respective rooms.

The pupils of Mrs. Albrecht were entertained with a Hallowe'en party Monday afternoon at the home of Mrs. Louis Ernst, chairman of the room mothers, assisted by Mrs. Pete Santhoff. Decorations carried out the Hallowe'en effect. Several games were enjoyed, with prizes going to Charlotte Boeg, August Britz Jr. and Harvey Pete Santhoff. Refreshments of sandwiches, cake, and punch were served.

Friday evening, October 28, the High School auditorium was the scene of a Hallowe'en dance, sponsored by the P. T. A. A large crowd

attended the affair. Several attractive entrance prizes were given away.

Study Circle Meets

On Tuesday afternoon, Oct. 25, Mrs. O. S. Secrist, chairman of the Study Circle of the D'Hanis Parent-Teacher Association, was hostess to the group in her home. Topics in the Parent Teacher Magazine of August and September were discussed. These included: The family in a democracy; new standards for family living; Education or the three R's; Safety signals for the home; Bringing healthy teeth to school; and Speaking again of grades. The hostess served a lunch consisting of salad, cake and coffee.

QUIHI NOTES.

When Jacob saw Rachel, he . . . went near, and rolled the stone from the well's mouth, and watered the flock of Laban. Gen. 29:10.

"All out for the last station!" An almost forgotten call. It was often hailed with a sigh of relief. Jacob had not heard it yet. He was engineer and conductor of his own train, slower than the erstwhile speed of the San Antonio-Fredericksburg mountain-climber, but he finally brought it to a halt, footsore and over-tired; therefore, with a double sigh of relief. No reception committee at the depot, no embrace, no handshakes. A few simple shepherds, puzzled and surprised, but friendly and helpful. No veiled suspicion; none needed (crooks and sharpers and racketeers are of more modern manufacture). Their attitude lit up the scenery for him. Every word of information about his uncle Laban was eagerly taken off their lips. The approach of the pretty shepherdess, Rachel, and a closer "close up" made the sun rise over the landscape. It was clearly one of those "first sight" affairs with all the potential reactions. One of those immediate silent responses, that mysterious contact of hearts, that tender, unworded declaration and confession of new sentiments, that what-you-may-call-it, making a surprised heart flare up with a joy unknown heretofore. "Affinity" is the technical term for that first impression, a cold and dreary term that conveys nothing of the charm and sweetness of that undefinable moment. Maybe you recall it in your own memory from your own experience. And many still thank the Lord who has such a precious moment implanted into the human heart. —And now look upon this peculiar reaction of that "moment" upon the young man, Jacob. Obviously flushed, excited, perplexed, "jumpy" in the busy sense, he goes at it with might and main to lend a helping hand in the work of the hour; he, the cool and collected fellow, that had for many years successfully resisted all female charms and blandishments, appeals and maneuvers—a rich and handsome youngster—is the perpetual target of Cupid's arrows—now is writhing under the pleasurable pain inflicted by the unseen missile. He is a different somebody. Reported to be more of an "inside" man, always entangled in mother's apron strings and engulphed in mother's kitchen artistry plus cook-book recipes (if they had them), now he pretends to be a veteran in the shepherd's business, and he is cock-sure about his abilities, not noticing the sly grins of the real shepherds. Thus that first-sight touch acts upon Jacob. Others stand stock-still, overawed, gnawing finger-nails, whistle, sing, jig, ride or drive at break-neck speed, write poetry, serenade the moon, secrete themselves at the old fishing-hole, smile without visible cause, talk with no particular subject, or run in circles and into everybody. A few become extremely silent, absent-minded, touchy, melancholy, heart aching, tears welling up or event trickling down the pale cheeks, with no why or wherefore in sight. Sometimes funny, often pathetic. How did it affect you? Caesar consulted the soothsayers, Alexander got drunk, Shakespeare went poaching, Washington threw parties, but carefully avoiding "the one", Napoleon made new wars, Queen Victoria gave riding and hunting excursions without "him", Gambetta, a French statesman, preached red-hot revolution, Schopenhauer, a philosopher, is said to have detested himself for the weakness of his heart, after that momentous moment. A peculiar moment, making, unmaking or re-making individuals; a bursting bud with spring around the corner; a balmy period of hopeful suspense glittering with air-castles, but also giving life to "immortal" productions, from the dramas of Sophocles, via Goethe's Faust I, down to most of Wagner's operas. A far cry from Jacob's flush and flutter at the well but worthy of a thought.

After our service last Sunday with a somewhat limited turn-out (the

loll, warranty deed to the following acts of land: 320 acres, being all of Survey No. 37, J. Haller; and 211 acres, being North part of East half of Survey No. 16, James Speed. Ten dollars and other good and valuable consideration.

Andrew Meebler to W. F. Biedinger and wife, warranty deed with Vendor's Lien to Lots Nos. 9 and 10, in Block No. 21, in town of LaCoste. Consideration \$800.00.

Mrs. Joe B. Stephens et al to Fred W. Mitchell and Eva Mitchell, quit claim deed to 75 acres of land out of Survey No. 380, B. Meyer; Survey No. 112, Henry Castro; Survey No. 191, B. Heineman, and Survey No. 192, N. Brauch. Consideration \$10.

Fred W. Mitchell and wife to J. P. Ephraim, deed to 288 1/2 acres of land out of the following surveys: Survey No. 192, Nic Brauch; Survey No. 191, P. Heineman; Survey No. 380, B. Meyer, and Survey No. 112, Henry Castro. Ten dollars and other good and valuable consideration.

Lord is often getting the short end of our attention, though we expect Him to be ever-ready when the want and distress signal is given at our end), we went over to the city to witness a Reformation service in grand style at the Grace Lutheran, one of the most magnificent church buildings there, out on Avenue E. Lutherans from the various parishes and many outsiders had filled every available space. A fine sight. The vested choir was at its best. The inside, well chosen architecture helps much in the devotion. Dr. Otto Mees of the Capital University, Columbus, Ohio, was in the pulpit, an old friend who usually strikes a keynote with adequate language and with telling effect. I looked for our Quihi representation. Such gatherings, we take it, should be among the main attractions of a big city. There our soul rejoices, and she, after all, is the main thing in our make-up. The trip was well worth making.

Remember our mission festival next Sunday. We expect the whole parish to turn out in full and hear our guest speaker, the Rev. P. Gogolin, who preaches in the morning and evening service, coming quite a distance in our behalf. You will hear a fine message both times, so please be there.

Announcements for November the 6th: Mission festival; the German service at 10:30; Sunday school and Bible class at 9:30; the English evening service at 7:30 P. M. May the Lord bless the day and your presence.
